Dear Organizer:

If you would like to apply for grants from the American Horse Trials Foundation, Inc, please read our brochure and the Event Grant Guidelines. After reading those documents you will need to submit an Event Eligibility Statement and Event Grant Application, both of which can be found on this site. Please read the Eligibility Statement carefully and submit all of the information that is requested.

The event must be sanctioned by the USEA in order to be eligible to receive grants from the American Horse Trials Foundation, Inc.

Please keep in mind that the Foundation traditionally relies heavily on its participants and their supporters for its fundraising. By doing so, we have been able to maintain extremely low fundraising costs. It is the responsibility of each individual rider or event to raise funds for the Foundation.

Thank you for your interest. Please call me with your questions before applying.
